Amunuca Island Resort Fiji is a boutique resort situated on the island of Tokoriki in the beautiful Mamanucas. This magical Fiji holiday resort is a fusion of antique Fijian architecture and futuristic technology. From the outside, it looks like a 200 year old Fijian village with thatched roofs and simple bamboo exteriors woven by local villagers. However, inside the arrival lounge, the reception area, theatre, bar and lounges there is a refreshingly cool ambience of the 21st century. The bures feature design interiors and offer fantastic value for money.
