Anchorage Resort Vuda Point, Lautoka, Fiji Islands

Do as much, or as little, as you please. Relax and unwind on the beach and by the pool. Wander barefoot through the tropical gardens. Take an afternoon nap on a hammock. Learn the local culture from our friendly Fijian staff. Indulge in delicious meals. Or embark on a variety of excursions available from the resort. The rooms are set in a tranquil environment - just metres from the beach or in the gardens

The resort's super convenient location provides one of the most important benefits. The Resort is located only 15 minutes from the Nadi International Airport and two minutes from the historical Viseisei Village. What this means to you is that the resort is often the choice for many travellers first or last night on the mainland when proximity to the international airport is an absolute must, but when you still just have to experience the full flavour of what Fiji has to offer. Anchorage Beach Resort will win you over
