We know that meals can become a large part of your holiday budget. We also know that you might like to eat in an intimate lamp-lit restaurant now and then during your stay, but many times you'd rather eat casually. That's why we have two menus to choose from.

The Ebb Tide menu is cafe style and set on a casual verandah overlooking the pool, with spectacular views of the lagoon. Here you can enjoy breakfast and lunch. The menu includes pizza, burgers, salads, stir fry, pasta and the best curry on the Coral Coast. The Ebb Tide is right off our Main Hall and is the perfect spot to relax in after a morning's sight seeing or sun bathing...

In the evening the terrace becomes the Ocean Terrace Restaurant. Kissed by the balmy evening breezes and lit by oil lamps to add to the atmosphere, the menu is al la carte with dishes such as local Lobster prepared your way; Kokoda - fresh local fish marinated in coconut milk and lime juice; Traditional Indian curry - with roti and home made chutneys; Bulumakau - Local beef drizzled in a mushroom red wine jus, the list goes on and on. There is also a casual menu with everything from pizza to pasta. We have a good selection of imported wines and you can round off your evening with one of Chef's fabulous desserts and fresh brewed cappuccino or espresso. You will fall in love with our warm and friendly service and never forget our resident serenaders as the melodies of Fiji drift through the evening.
