Malolo Island Resort Malolo Island, Mamanuca Islands, Fiji

Malolo is about reconnecting with family and friends without the distractions of "mod-cons". Just the sounds of the coconut trees swaying and the ocean lapping the shore, under the bluest of skies by day and a blanket of stars by night.

We believe, Malolo is the way the world should be.

Plantation style duplex accommodation reminiscent of the colonial era with high vaulted ceilings, provide a feeling of spaciousness and rustic elegance. Our bures are fully air-conditioned and set amongst lush tropical gardens, and some are only a few lazy steps from the beach and waters edge. With a total of 49 bures, Malolo offers three different categories including Ocean View Bures, Deluxe Ocean View Bures and a Family Bure. All Oceanview and Deluxe Oceanview Bures have a king bed and two single beds, ideal for a family of four or a couple.

At Malolo you can fill your day with activities or simply unwind and do nothing at all. There are an array of activities and experiences on offer to keep even the most active of guests occupied. For the romantics at heart, we have some very special options perfect for those cherished moments such as, a romantic beachside dinner or perhaps just hanging about in one of the many double hammocks and soaking up the sensational views across the Pacific Ocean.
