Extra Facilities			

Matamanoa Island is a small, intimate and secluded Fiji Resort set in the beautiful Mamanuca Islands approximately 30 kilometres West of Nadi International Airport.

The Island boasts a volcanic cone jutting out of the turquoise/aqua blue waters of this unspoilt area of the Fiji Islands. Clad with dense bush and palm trees, the brilliance of the vegetation contrasts magnificently with the white curved sandy beach and pristine coral reefs.

Matamanoa Island Resort Matamanoa Island, Mamanuca Island Group

Created for those who want to forget the pressures of their business or busy lifestyle or for those who dream of peace and tranquillity. In an effort to achieve this special atmosphere, Matamanoa Island Resort has adopted a year round policy of not permitting children under the age of 12 years.

Marry on the beach at sunset under an arch which is hand woven in leaf, traditional Tapa mats at your feet, or anywhere on the island. Fijian warriors (2) and bridesmaid in traditional Fijian costume escort the bride. Beautiful tropical orchid bouquet & matching buttonhole, staff choir, video, photographer, champagne dinner for two - our wedding co-ordinator arranges everything for you, all you have to do is be there.

Matamanoa Island can offer you total relaxation or a wide range of leisure activities and cultural excursions. Swim in the fresh water pool or in the beautiful Pacific Ocean, play tennis or sip a cocktail at the Bar as you watch the sun set and take all the time you need to discover the magic of this beautiful Island.

Matamanoa is perfectly positioned to dive some of the best coral reefs in the world.
Nestled in the Mamanuca Island group, Matamanoa is surrounded by some of the best diving Fiji has to offer: breath-taking biodiversity including spectacular table corals, massive gorgonian fans, multi-hued reef fish of every shape and size, turtles and reef sharks. With over 40+ sites to choose from, Viti Watersports on Matamanoa offers a range of high quality diving from sheltered tranquil coral gardens to stunning walls and even a shark enclosure.
