Tambua Sands Beach Resort Sigatoka Coral Coast, Fiji

Tambua Sands is set amidst an unspoiled coconut plantation fronting a white sandy beach with a shallow rocky lagoon with coral reef beyond. Although the lagoon is not ideal for swimming, there are several nice snorkelling spots nearby and a pleasant swimming pool for cooling off. Individual bures both spacious inside and set well apart giving good privacy.

Twenty Five beach front and garden bures (cottages) are spacious, private, and create an atmosphere of peace and tranquillity. Some bures are interconnecting. All have en suite bathrooms, coffee/tea makers, ceiling fans, and minifridges.

Bathe in the warm lagoon, laze around our fresh water pool, play a round of croquette or simply relax and soak up the south pacific sun. If you're feeling energetic, get busy with our recreation staff for snorkelling, hiking, reef walks and visits to Fijian villages. A tour consultant is available for booking a variety of day trips and cruises. The Tambua Serenaders entertain nightly with songs of the pacific, followed by island theme nights (chiefly kava ceremony, pottery and weaving demos, a Polynesian show and traditional Fijian dancing and singing, and of course our famous international crab races). On Sunday enjoy acappella singing by our village choir.
Facilities include boutique shop with internet service, licensed restaurant and bar, pool, and tour desk.
