Pacific Lagoon Apartments Pango Road, Ellouk, Port Vila

We have kayaks and a barbecue available for use by our guests at no charge. Erakor Lagoon is a great place for swimming, snorkeling and kayaking. It is of course a tropical lagoon and normal precautions need to be taken. For example, no bare feet and if you don't know what it is don't pick it up.

Babysitting services can also be arranged. With a days notice we can introduce you to a baby sitter who you can make your own arrangements with. The going rate is 250 vatu (approx) an hour.

International Telephone and facsimile services are available at the Office during office hours, and there is a local calls only telephone available to guests outside of office hours and also a phone that can be used for international calls by purchasing a phone card.

An inexpensive, well-equipped laundry is on site for you to use or our laundry staff can provide this service for you if you would rather just relax.
